REPORT AN INJURY
EMPLOYEES: If injured, notify your supervisor immediately: when possible, notice should be in
writing. Failure to notify your supervisor could result in denial of benefits. Obtain medical care.
Your employer must pay for all necessary medical care to treat a workplace injury. The employee
may select the physician or medical facility to render care. If the employer is enrolled in an
approved Managed Care Plan, employee selection of physicians is limited to the Approved
Provider Network, except in certain emergencies. For injuries requiring continuing care, the
employee must designate a treating physician. A form to do so will be furnished by your employer
or its insurance carrier.

This employer is participating in a Managed Care Plan for medical care. The Managed Care Plan
is Bluegrass Health Network. For information call 1-800-868-4553 or 1-859-425-7800.
DISABILITY BENEFITS to replace wages lost due to a workplace injury are payable under the
Workers’ Compensation Act after seven (7) days of disability. A Claim must be filed with the
Office of Workers’ Claims within two years of the date of injury, or last payment of temporary
total disability benefits.

NEED ASSISTANCE?
Contact your employer’s claim representative. If your questions about workers’ compensation
rights are not promptly answered, call the Kentucky Office of Workers’ Claims at 1-800-554-8601
to speak to an Ombudsman or Workers’ Compensation Specialist.
